# CERTIFIED GLUTEN FREE ITEMS LIST

This list has been compiled based on the manufacturer's claim on the product package that the item is gluten free. It is important to **always read the label** as ingredients and suppliers are subject to change. In addition, products may contain an allergen statement indicating whether the product might be subject to cross-contamination by the presence of wheat, or gluten. As always, thank you for shopping with us!

# CERTIFIED GLUTEN FREE ITEMS LIST

This list has been compiled based on the manufacturer's claim on the product package that the item is gluten free. It is important to **always read the label** as ingredients and suppliers are subject to change. In addition, products may contain an allergen statement indicating whether the product might be subject to cross-contamination by the presence of wheat, or gluten. As always, thank you for shopping with us!

# CERTIFIED GLUTEN FREE ITEMS LIST

This list has been compiled based on the manufacturer's claim on the product package that the item is gluten free. It is important to **always read the label** as ingredients and suppliers are subject to change. In addition, products may contain an allergen statement indicating whether the product might be subject to cross-contamination by the presence of wheat, or gluten. As always, thank you for shopping with us!

# CERTIFIED GLUTEN FREE ITEMS LIST

This list has been compiled based on the manufacturer's claim on the product package that the item is gluten free. It is important to **always read the label** as ingredients and suppliers are subject to change. In addition, products may contain an allergen statement indicating whether the product might be subject to cross-contamination by the presence of wheat, or gluten. As always, thank you for shopping with us!

# CERTIFIED GLUTEN FREE ITEMS LIST

This list has been compiled based on the manufacturer's claim on the product package that the item is gluten free. It is important to **always read the label** as ingredients and suppliers are subject to change. In addition, products may contain an allergen statement indicating whether the product might be subject to cross-contamination by the presence of wheat, or gluten. As always, thank you for shopping with us!
